Sir:

In response to the Notice of Allowance mailed May 22, 2008, please enter the following comments regarding the application identified above as follows:

**Remarks/Arguments** begin on page 2 of this paper.

**REMARKS**

In response to the Notice of Allowance mailed May 22, 2008, Applicants make the following Comments on Statement of Reasons for Allowance presented by the Examiner in the Office Action of May 22, 2008, at 2, line 10, to at 8, line 10. The Examiner's Reasons for Allowance paraphrases the language of the allowed claims. Therefore, to the extent that the Examiner's Reasons for Allowance mischaracterize the allowed claims 1 and 4-15, Applicants object. Nonetheless, Applicants agree that the claimed invention would not have been obvious at the time the invention was made, and that no prima facie showing of anticipation or obviousness could be made in view of the prior art of record.

The below-signed attorney for Applicants welcomes any questions.

Respectfully submitted,

*GRiffin & Szipl, P.C.*
